# EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

# ENJOY THE BEST OF ADELAIDE

Arrive into Adelaide. Following transfers from the airport, you will arrive at your home for the next two nights – Mount Lofty House. Nestled in the Adelaide Hills, perched high up on the escarpment of Piccadilly Valley, Mount Lofty House is enriched with 170 years of fascinating history. Today, the heritage estate is best known as one of South Australia’s most luxurious boutique hotels.

After check-in, you can opt to make the most of the hotel's sublime facilities, or spend the day with us on the Barossa wine trail. In the early evening, the group will meet for a welcome aperitif – your opportunity to get to know the other guests with whom you will spend the week. From here, the group

will sit down to the first of a series of award-winning dining experiences at the hotel's fine-dining restaurant, The Veranda.

The next day will be a warm-up drive day around the Adelaide Hills. Our route pays homage to the iconic Classic Adelaide Rally, and covers a series of renowned driving roads through the vine-covered hillsides. In the early evening we will return to Mount Lofty Estate and trade car keys for fine wine, sampling a series of special vintages produced by Hardy Estate, followed by a relaxed dinner in the Estate's garden.

On day three, you have the option to enjoy a track day at the renowned

Tailem Bend. A state-of-the-art, world-class motorsport facility, The Bend is one of the most significant developments in Australian motorsport history and delivers an exhilarating experience for competitors, enthusiasts and spectators alike. As part of the track day guests will have two options:

### Track Day (Own Car)

Enjoy a track day on the eastern circuit using your own car. As part of the day, guests will enjoy multiple sessions on the circuit, coupled with professional instruction and use of the skid pan.

### Track Activities (Circuit's Vehicles)

Guests who are less inclined towards a track day can opt to enjoy a series of experiences using the circuit's own

vehicles. The activities include the use of Clubmans on an irrigated skid pan motorkhana; the opportunity to drive or passenger in V8 Mustangs on the western circuit; to passenger with an instructor in a Porsche GT3; an off-road experience; and more.

### Winery Tour

If you prefer to spend the day sampling the best vintages of the Adelaide Hills instead of the adrenaline of the tarmac, then you can choose to indulge in a hosted winery tour with plenty of tasting opportunities.

In the evening, the group will convene for a private dinner inside The Bend's motoring museum before a night at the Rydges Pit Lane.

# A LUXURY DRIVING TOUR TO MELBOURNE

The group will conclude the drive with a final lunch at Chateau Yering. After lunch, guests continuing on with the Grand Prix weekend can cruise into Melbourne for some incredible F1 action, while those concluding the tour can continue with onward travel plans. If you would like to enjoy a few drinks at lunch, please speak to our team about our car concierge service to Melbourne, as well as helicopter transfers.

For the F1 weekend, interstate guests can book our recommended hotel – Crown Towers – or choose another property. Local guests can stay at their home or opt for a staycation in the city.

Our unique luxury driving tour from Adelaide to Melbourne begins today. Having already had your fix of adrenaline at yesterday's track extravaganza at The Bend, the group will depart Tailem for an open-road cruise in your favourite car.

Today's drive takes in the coastal route that follows alongside the magnificent Coorong National Park. The Coorong is a national treasure and a Ramsar-listed wetland of international importance. We will stop along the route at a series of iconic viewing points, before arriving into Mount Gambier for the night.

Your accommodation that night will be at The Barn. This boutique property is comprised of suites set among five

acres of carefully manicured English style gardens. In the evening, the group will enjoy a private dinner at the hotel's award-winning steakhouse, before retiring for a good night's sleep. The second day of the drive cuts inland through a series of national and state parks. You will leave behind the sandy coastline for a quintessential Aussie bushland backdrop, and enjoy an afternoon taking on the sweeping backroads of western and central Victoria before arriving into the charming spa town of Daylesford.

Enjoy a night spent at the iconic Lake House property on Lake Daylesford. This five-star hotel offers refined rooms, coupled with a two-hat AGFG restaurant. Here, under the direction

of Culinary Director Alla Wolf-Tasker and Head Chef Brendan Walsh, the kitchen will work from the ground up to produce on the premises – or locally source – virtually everything you will find on your plate that evening. The dinner will be an extravaganza of signature dishes and wines from their award-winning collection, made complete with a selection of local whiskeys after dessert.

On the final day of the drive, the group continue east. Today, you will enjoy the twisting roads that traverse Lerderderg State Park, the Macedon and Flowerdale Plantations, and the Yarra Ranges. Well known among drivers, these roads cover some of the best sections of Victorian High Country.

# F1 GRAND PRIX WEEKEND

If you decide to extend your stay and join us for the F1 Australian Grand Prix weekend, then you are in for a real treat.

The Australian Grand Prix is typically one of the earliest Grands Prix of the F1 season, and the second oldest surviving motor racing competition held in Australia. Taking place in Melbourne since 1996, the 14-turn, 5.3 kilometre circuit is built utilising a combination of public roads and a car park within the beautiful area of Albert Park. A couple of fresh changes to the track in 2022 – including the removal of a slow-speed chicane and the addition of a new DRS zone – increased the speed and excitement of this popular Grand Prix race.

You can choose to join us for the F1 Practice Sessions on Friday, and catch your first glimpse of your favourite racing stars. Alternatively, you can enjoy a relaxing day off, getting out and making the most of the cosmopolitan city of Melbourne, which truly comes alive during Grand Prix weekend. This vibrant city is often rated as one of the best in the world for its combination of culture, scenery, dining and entertainment.

Saturday is when things become serious on the track as Qualifying begins. It's always one of our favourite days to spend exploring the circuit and grounds, meeting up with friends old and new, and making the most of the luxurious hospitality on offer.

Sunday, of course, is race day, where you can join us in the suite to cheer on your favourite driver and team as they tackle the Albert Park circuit.

Your weekend hospitality package at the Grand Prix will include a trackside suite with an outdoor balcony and super screen viewing, premium catering by the Atlantic Group throughout the day, and an open bar offering wine, beer, spirits, and a selection of non-alcoholic beverages. This really is the best way to experience the excitement of the famous Australian Grand Prix!

On Monday, after the Grand Prix, you can relax, recover and reflect on an adrenaline-fuelled week of driving and dining before onward travel plans.

# COMMON QUESTIONS

Below you will find a selection of common questions from our guests.  
For any further queries, please contact our team.

### How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles.

The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours, including regular stops for morning/afternoon tea, lunch, and driver/car changes.

### What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose,

flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you are behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

### What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our small-group tours are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

### How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between

occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 13-16](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

### Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet regional or specialist cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
