EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

Following transfers from the airport and check-in, you can spend the rest of the afternoon settling into your luxurious five-star hotel, the Dolder Grand, perched on the Adlisberg mountain. Relax in this ornate hotel's extensive leisure and wellness amenities, or go on an adventure and explore the vibrant city of Zürich.

SUPERCAR DRIVING TOUR OF THE SWISS ALPS

Spend three unforgettable days experiencing a fleet of the world's best supercars, on the roads for which they were built. The route covers a selection of the most breathtaking and renowned roads in Switzerland, including the 'Golden Trio' – Furka, Susten and Grimsel.

Day one begins with a series of the lesser-known passes that traverse the central Swiss countryside, building up to the tight switchbacks of Klausenpass. This route is the perfect warm up for the coming days of challenging drives. The lazy bends and twists of Switzerland's best country backroads provide you with the opportunity to experience the power and performance of these elite beasts.

Your second drive day is a big one. The morning warms up with a run past Lake Vitznau and down into the central Alps of Switzerland. Here, you will experience Susten and Grimsel, followed by one of our favourite passes – Nufenen. Susten Pass is marked with fast downhill portions that lead through valleys, banked turns, and steep uphill, all of which will have you grabbing at the gears. Grimsel, on the other hand, features jaw-dropping panoramas around every corner, and is a less technical, more free-flowing pass. Like Susten, Nufenen is a technical and challenging pass that will leave you spent but wanting more.

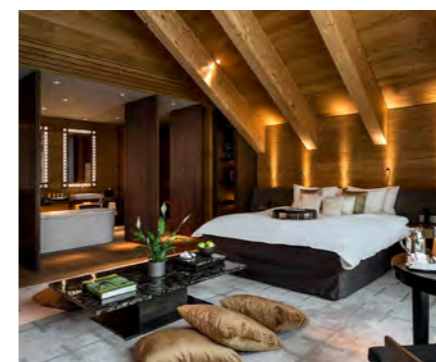

Following two big days of driving, the group can relax with a rest day in

Andermatt. Enjoy a leisurely morning making use of The Chedi's extensive wellness facilities, after which the group will be flown via chartered helicopter around the magnificent Matterhorn Mountain. Take in the stunning vistas from atop the glacier before being choppered to a gourmet lunch in the ski town of Zermatt. Enjoy regional cuisine in a celebrated restaurant while taking in panoramic views of the Alps. This will provide an opportunity to recharge for the final day of driving.

The final day of your incredible drive will head west on Furka, then back up across Grimsel. Furka was immortalised by the Aston DB5 vs. Ford Mustang chase in James Bond's *Goldfinger*. This incredible road alternates between tight

hairpins and long sweepers, and section after section of fantastic tarmac. From here, the convoy will wind up into the lush valleys and peaks of the Entlebuch UNESCO biosphere and Gruyere Natural Park.

To complement your driving experience, you will stay in ultra-luxury hotels along the way. Evenings will be spent dining in an array of celebrated and award-winning restaurants. Your carefully curated accommodation selection includes the photogenic Park Hotel Vitznau on the shores of Lake Lucerne, The Chedi – an opulent ultra-luxe ski chalet nestled among the alps in Andermatt – as well as the Grand Hotel Du Lac, perfectly located on the shores of Lake Geneva.

GOURMET RIVIERA ADVENTURES

Your final day will take on a more relaxed tempo, trading driving and adrenaline for history and gastronomy.

Over the course of the day, you will visit the historic Chateau Chillon castle on the shores of Lake Geneva, before indulging in a food and wine tour of the UNESCO World Heritage listed Lavaux wine region, which terraces down the side of this famous lake. Although there is evidence that vines were grown in the area during Roman times, the vine terraces growing at present can be traced back to the 11th century, when Benedictine and Cistercian monasteries controlled the region.

The epicurean delights will continue into the evening with a dinner at Denis

Martin. More than a restaurant (and a Michelin-starred one at that!), the evening will provide the group with an incredible culinary experience featuring avant-garde cuisine. Your gastronomic journey will begin in the restaurant's high-tech laboratory with a special demonstration from Denis himself. He will show you the cryogenization, distillation and centrifugation processes used to create the dishes you will later be served. From here, you will enjoy Martin's signature fourteen course menu. What a way to conclude an unforgettable week!

The next morning, following a restful night's sleep, settle in for a leisurely breakfast on the lake before departing on onward travel plans.

THE FLEET

The vehicles you will pilot

Our fleet includes a selection of latest-release supercars, designed to complement the driving location and tour type. The final selection may vary depending on participant numbers and vehicle availability.

ASTON MARTIN DB11

Labelled as the most important Aston in the marque's history, the DB11 is a supremely sophisticated blend of hypermodern, road-crushing technologies and old-school Gran Tourer charm.

BENTLEY CONTINENTAL GT

Solely responsible for the revival of the modern Bentley brand, the Continental GT is the perfect grand tourer, sporting a unique twin-turbo W12 and a truly luxurious interior.

FERRARI 488 GTB / SPIDER

The successor to the adored 458 sees the eager-revving and naturally aspirated V8 retired, in favour of a turbocharged powerplant. This Ferrari will propel you from 0 – 100 in just three seconds.

FERRARI PORTOFINO

Lighter, faster and stiffer than its predecessor, the Portofino is the real deal. Possibly one of the prettiest Ferraris of all time, with performance figures that certainly match.

LAMBORGHINI HURACAN PERFORMANTE

The Huracan is a fantastic combination of fast, loud and sharp. With an ingenious 4WD system, the Performante offers impressive technical specs and performance to boot.

MCLAREN 720S

While there are many fast cars out there, few have the performance capabilities that require drivers to up their game so profoundly. The 720S will leave almost anything else in the dust... are you ready?

MERCEDES AMG GT

With a dauntingly low driving position, way back over the rear axle, the handsome GT draws heavily on the lauded SLS. An agile yet comfortable grand tourer with a beautiful V8 soundtrack to match.

PORSCHE 911 GT3

For decades, the 911 has been the stuff of legend – a title it continues to claim today. Capable in all situations, this precision instrument remains a timeless inclusion on our tours.

COMMON QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest-release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you are behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 13-15](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
