

Chateaux & Champagne: A French Supercar Tour

June 2024

EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

Anthony Moss

EXPLORE THE GASTRONOMIC CAPITAL OF FRANCE

Wednesday 12 – Thursday 13 June 2024

Arrive into Lyon to begin your gourmet adventure. Following chauffeur transfers from the airport, take the afternoon to settle in and relax at your luxurious hotel for the next two nights—Château de Bagnols.

Nestled amongst vineyards, the château is an opulent golden stone fortress that exemplifies the French 'art de vivre'—the art of living. Built in the 15th century, the immaculately renovated property and surrounding grounds boast a luxurious spa as well as a beautiful topiary garden. Huge swathes of granite and marble throughout the rooms and halls speak to the building's history, and modern amenities and features elegantly complement the classically French architecture.

As the sun begins to set, you will be hosted for a welcome aperitif before being transferred to Paul Bocuse's celebrated two Michelin star restaurant, L'Auberge du Pont de Collonges. Often referred to as the 'father of modern French cuisine', Paul Bocuse was one of the most globally distinguished chefs. L'Auberge is his eclectic family home and restaurant, and an obligatory stopping point for refined palates from across the globe.

Friday holds in store a bespoke guided tour of the gastronomic capital of France, Lyon, and the surrounding Beaujolais wine region. Lyon's city centre reflects 2,000 years of history, including the Roman Amphithéâtre des Trois Gaules, the medieval and

Renaissance architecture in Vieux (Old) Lyon, and the modern Confluence district on the Presqu'île Peninsula. It truly is a mesmerising city to explore, and one that is sure to surprise and delight more than just your tastebuds.

Enjoying tastings from artisan markets and boutique growers, your day touring Lyon is a balanced affair that includes celebrated foods and wines, and a chance to explore the incredible culture, history and architecture of the region. Highlights include Lyon's famed indoor food market, Les Halles de Lyon Paul Bocuse, UNESCO-listed sites of Roman heritage, still-bustling medieval villages, and an impressive signature vineyard for which this region of southern France is renowned.

Later that evening, the group will return to the magnificent accommodation at Château de Bagnols. You'll enjoy time to rest and relax before meeting in the château's lush grounds to sample locally made crémant (Beaujolais and Burgundy's take on Champagne) and take in the views. From here you will sit down to your next Michelin-starred meal of the tour at the hotel's very own restaurant—1217.

Dinner in 1217's fabulous space includes a series of innovative dishes combining simplicity and colour, which transcends decor and gastronomy as we know it. After dinner, retreat to your room for another blissful night's sleep, fulfilled and ready for the drive.

A SUPERCAR TOUR THROUGH THE COUNTRYSIDE

Friday 14 – Sunday 16 June 2024

From Friday through Sunday, you will spend your days in the hand-stitched leather driving seats of a selection of the world's finest super, sports, and luxury cars, from leading marques including Ferrari, Lamborghini, Porsche, Mercedes, Audi, and more. Enjoy an epic journey through three renowned wine regions in France—Beaujolais, Burgundy, and Champagne, carving a path through sweeping backroads surrounded by picturesque countryside.

On your first driving day, the convoy will depart from Château de Bagnols. The morning begins with a run north, straight through the lush French heartland and into Côte-d'Or. Leaving the motorways behind in preference

of the meandering twists and turns of the region's scintillating backroads, your first drive day is all about getting to know your first selection of cars in the fleet. After a light lunch en route, we continue north-west to our overnight stop, the charming village of La Bussière-sur-Ouche.

The second day of the drive travels through the verdant farmlands and forests of Morvan National Reserve. The route will essentially cover a figure-eight loop through the reserve and surrounding countryside, and conclude not too far from Bussière. The convoy will pass through charming cobblestoned villages, the torrents of the Gouloux Waterfall, and cut through patchworks of rolling green meadows,

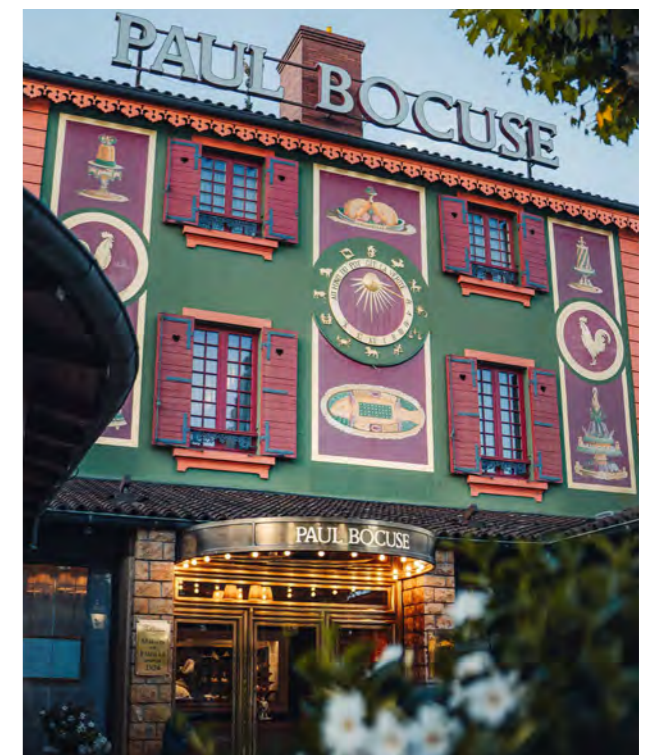

before powering down the engines and unwinding for the night back at Abbaye de la Bussière.

Your final day behind the wheel will be spent cruising up into the incomparable Champagne-Ardenne region; the birthplace of countless exquisite vintages and creations of haute cuisine. The warm summer climate will present the perfect opportunity for open-top motoring in the convertibles of our fleet, as we head for our final stables in Épernay, just south of Reims. Here, car keys are traded for a well-earned glass of Champagne, as the group raises a toast to an unforgettable journey.

Experiential luxury hotels along the route complete the perfect grand

tour, along with evenings spent tasting gastronomic perfection in a selection of acclaimed restaurants. Your accommodation includes a magnificent 15th-century château in Beaujolais, a converted abbey set among sculpted grounds in the countryside of Burgundy, a unique residence in the centre of the historic village of Beaune, and a recently opened luxury resort overlooking the Champagne vineyards outside Épernay.

Along with Bocuse's two Michelin Star L'Auberge du Pont de Collonges and Bagnol's 1217, more celebrated restaurants await you on the drive. These include Chef François Pelletier's 1131 at Abbaye de la Bussiere, and several other surprising and delightful dining destinations.

JOURNEY TO HISTORIC CHAMPAGNE MAISONS

Monday 17 - Tuesday 18 June 2024

On Monday you will enjoy a VIP taste of Champagne, and be immersed in the history—and bubbles—of some of the region's most renowned producers and finest vintages.

The morning will begin with a guided tour of Reims. Here you will visit the Notre-Dame de Reims, a UNESCO heritage listed 13th century cathedral, and one of Europe's most culturally significant Gothic structures. Since the 5th century, almost every king of France has been crowned on this historic site.

After Reims, you will explore some of Champagne's prestigious Champagne houses and caves. Throughout the day, you will be introduced to the diverse styles, processes, and products of a

selection of celebrated houses, ranging from boutique growers to Grande Maisons. During this time, you will also start to develop your sparkling wine palate, and gain an appreciation of what Dom Pérignon meant when he described his first sip of Champagne as 'tasting the stars'. Afterwards, a beautiful lunch of fresh regional produce at a local estate awaits, perfectly paired with a selection of Champagnes, naturally.

Previous tours have given us the pleasure of being hosted at celebrated Champagne houses from Ruinart to Taittinger, Pommery, Billecart-Salmon, and Veuve Clicquot. Each exclusive Maison has not only opened their doors to our group, but also arranged for guests to enjoy very special cuvées.

In the evening, we will return to the hotel and enjoy a final aperitif together. As the sun sets over the vineyards of Épernay, this is the perfect time to savour a final evening reflecting on your gourmet adventure as you overlook the incredible vista from the terrace.

On Tuesday you can relax with a lazy morning before departing for onward travel plans.

THE FLEET

The vehicles you will pilot

Our fleet includes a selection of latest release supercars, designed to complement the driving location and tour type. The final selection may vary depending on participant numbers and vehicle availability.

ASTON MARTIN VANTAGE F1 ROADSTER

Marking an exciting moment in Aston Martin's history, the most powerful V8 Vantage ever delivers the F1 to the roads. You'll feel the thrill of the track with its unique aerodynamic body kit, new 21" wheels and race-inspired graphics.

AUDI R8 V10 SPYDER

If you're hungry for a gorgeous, driver-friendly supercar that's quick-as-lightning, the new release update to the incredible R8 delivers, and then some. Consider your wish granted.

FERRARI 488 SPIDER

The successor to the adored 458 sees the eager-revving and naturally aspirated V8 retired in favour of a turbocharged powerplant. This supercar will propel you from 0 - 100 in just three seconds.

LAMBORGHINI HURACAN SPYDER

The Huracan Spyder combines speed, a sharp design, and the pure roar of power and fun. The convertible offers an ingenious 4WD system, sophisticated technical specs and performance to boot.

MCLAREN 720S

Be warned: while there are many fast cars out there, few have the performance capabilities that require drivers to up their game so profoundly. Are you ready for this beast?

MERCEDES AMG GTR

With a dauntingly low driving position, way back over the rear axle, the devastatingly handsome GTR draws heavily on the lauded SLS. An agile yet comfortable grand tourer.

PORSCHE GT3 992

A phenomenal car from Porsche's iconic collection, the 992 GT3 epitomises the very best of what Porsche has to offer. Powered by the same four-litre flat-six engine the Motorsport department fits to its GT3 Cup race car, it's sure to thrill.

FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. If you are travelling as a solo driver, you will be paired with another solo driver in the vehicle. As outlined on [page 13-15](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
