

European Supercar Tour

May 2023

EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

Anthony Moss
CEO & Founder
Ultimate Driving Tours

Long Established

One of the world's longest established driving holiday specialists, with decades of experience creating extraordinary motoring and luxury travel events.

Award Winning

Recognised across the luxury travel industry as the world's best driving holiday provider and a multi-award winning international tour operator.

F1 MONACO GRAND PRIX

Friday 26 – Monday 29 May

Before your European Supercar Tour starts, you are able to fully immerse yourself in the jewel in the crown of Formula 1: the Monaco Grand Prix.

Get ready to experience the energy and excitement of this iconic race in the most luxurious way imaginable – sipping Champagne or specialty cocktails aboard our privately chartered superyacht in Port Hercule. Away from the race, you have the opportunity to explore Monaco; a city-state that is brimming with intrigue and exuberance, and represents all that is quintessential to F1: glitz, glamour, and world-class entertainment.

To further extend your Grand Prix experience, we recommend opting

into an additional evening aboard the superyacht on Thursday to enjoy dinner with none other than two-time Monaco Grand Prix winner, Aussie motorsport legend, and all-around great guy, Mark Webber. See below for further details.

On Friday, the excitement officially begins with our legendary cocktail party. This event provides you with an opportunity to get accustomed to your privileged locale for the weekend of the Grand Prix, while enjoying Monaco's other famous attraction – its nightlife.

Whether you prefer to dance the night away to the mixes of our international DJ, or get to know new friends while sipping a cocktail in the glow of this sensational city, the party evening is the

perfect segue from the calm into the storm of the Grand Prix weekend.

Saturday and Sunday are an action-packed extravaganza. From Practice to Qualifying, and of course, the race itself, you will be treated to an adrenaline-filled weekend of motorsport at its very best. In between the action on the track, the entertainment keeps coming in the form of special guest appearances, Q&As with TV and racing personalities, and live music – in addition to the exhilarating atmosphere of Monaco during the Grand Prix.

Complemented by a premium cocktail bar, free-flowing Champagne, and gourmet catering, this incredible bucket-list weekend is one of the

most exciting and spectacular events in the world. More than just a motorsport lover's dream, it's a celebration of life at its best, to be shared with like-minded friends. It is the ultimate party, creating memories to share and reminisce on for many years to come.

Over the course of the weekend, you also have the opportunity to enhance your F1 experience with a number of special options. These include the possibility to stay aboard the superyacht, to helicopter to Monaco each morning, or to attend Amber Lounge's glamorous fashion show, among others. See below for further details.

Accommodation and Dining

Guests have several accommodation options for the Monaco Grand Prix. Many opt to stay at the 5-star Boscolo Exedera. This newly renovated hotel offers a convenient base from which to explore Nice and Monaco, and deliver stunning views of the Mediterranean. Alternatively, you can choose to stay among the action at a selection of luxury hotels in Monaco, or in the exclusive berths aboard our superyacht. Accommodation on the yacht is limited and in high demand; please contact our team for options and details.

During your time on board our superyacht for the F1, you will enjoy all-day gourmet catering, as well as a full premium bar and abundant Champagne. The dining package includes morning tea, a luncheon, afternoon canapes, a substantial supper, and late night snacks.

OPTIONAL ADD-ONS

ENHANCE YOUR GP EXPERIENCE

Thursday 25 – Monday 29 May

Stay Aboard the Superyacht

Complete your Monaco GP experience with accommodation on board our stunning superyacht for race weekend. There are only five luxurious cabins on offer, with the options being:

- 2 twin-berth cabins
- 2 queen-berth cabins
- 1 stateroom king-berth cabin

In addition to four nights on board, guests staying on the yacht will enjoy the following services and experiences:

- A helicopter transfer to Monaco
- Full crew including a chef
- An evening with Mark Webber
- The comfort, convenience and exclusive atmosphere of staying on the yacht for the Grand Prix

Evening with Mark Webber

Opt to spend an intimate additional evening on board the superyacht on Thursday 26th May, in the company of two-time F1 Monaco Grand Prix winner and Australian motorsport legend, Mark Webber.

Take part in a hosted Q&A session with Mark, and hear firsthand the challenges of racing the Monaco street circuit and competing in F1, while having any of your burning questions answered – motorsport or otherwise. In between savouring substantial canapes and a full premium cocktail bar, you can also take photos with our home-grown legend and all-round great guy, and have your favourite merchandise signed.

Amber Lounge Package

Experience the exclusive Monaco GP party scene with tickets to the Amber Lounge Fashion Show on Friday evening. Guests can choose from a shared or private table for the evening, and the package includes:

- Signature pre-show cocktails
- Seats at the charity fashion show
- Fine-dining dinner
- Live performances
- After-party including bottle service

Helicopter Transfers to Monaco

On either Saturday or Sunday morning – or both – you can fly direct from Nice Airport to Port Fontvieille via an executive luxury helicopter.

OPTIONAL ADD-ONS

F1 DRIVE EXPERIENCE

Friday 26 May

For those seeking the ultimate adrenaline rush, prepare yourself for a totally incomparable optional driving experience: before the Monaco Grand Prix weekend begins, you have the opportunity to drive real ex-Formula 1 race-cars at a private circuit in the south of France.

Drive genuine 2002 Prost-era ex-Formula 1 cars with real F1 Championship chassis. Powered by a 650HP V8 Cosworth engine, and weighing less than 520kg, these incredible machines have a power-to-weight ratio twice that of a Bugatti Veyron!

Whether you are a seasoned pro with a background in racing, or are completely

new to the track, the day is designed and tailored to your experience level, and will give you unique insight into the incredible accomplishment of driving an F1 car.

Before a weekend watching the iconic Monaco Grand Prix, could there be any better preparation than getting behind the wheel of an F1 car and experiencing the same rush that the drivers do in a race?

The experience is a full day program, which includes:

- Sixteen (16) laps in an F4 Car
- Six (6) laps in an F1 Car
- Professional instruction and guidance throughout the day

- Equipment (race helmet, racing overalls, race boots and gloves)
- Guided tour of the facility and circuit, including two sighting laps
- Photography and videography of your experience
- An awards ceremony with Champagne and certificates
- Catering
- Transfers to/from Nice

Because this F1 drive program is a full-day experience, we recommend arranging an additional night's accommodation in Nice on Thursday, allowing you to start the day fresh and ready to drive.

A SUPERCAR DRIVING TOUR OF EUROPE

Tuesday 30 May – Monday 5 June

Following a deserved rest day, your unforgettable supercar tour of Europe commences. After enjoying each other's company aboard our superyacht over the Grand Prix weekend, the group will depart Nice for your bucket-list journey to Zurich.

The tour includes five incredible days driving a fleet of the world's best supercars back-to-back on a selection of the most famous driving roads on the planet. Our prized fleet includes mouthwatering offerings from Ferrari, Lamborghini, McLaren, Mercedes, Porsche, Audi, Bentley, and more.

Your cross-country adventure is crafted to provide you with the fullest possible enjoyment of these phenomenal cars

on suitably diverse roads. These include Switzerland's picturesque backroads, the twists and turns of the Swiss and Maritime Alps, the rush of the Italian Autostrada, and the meandering vine-covered hills of Piedmont and Provence, where you can savour the journey and the scenery.

Featuring a curated mix of switchbacks, lazy bends, and fast straights, the route will challenge and delight any avid driver. If you are not driving, you can sit back and soak up the breathtaking scenery, which showcases the best views each country has to offer as you progress through your driving odyssey.

Enjoy the magical evergreen forests of central Switzerland, then cruise

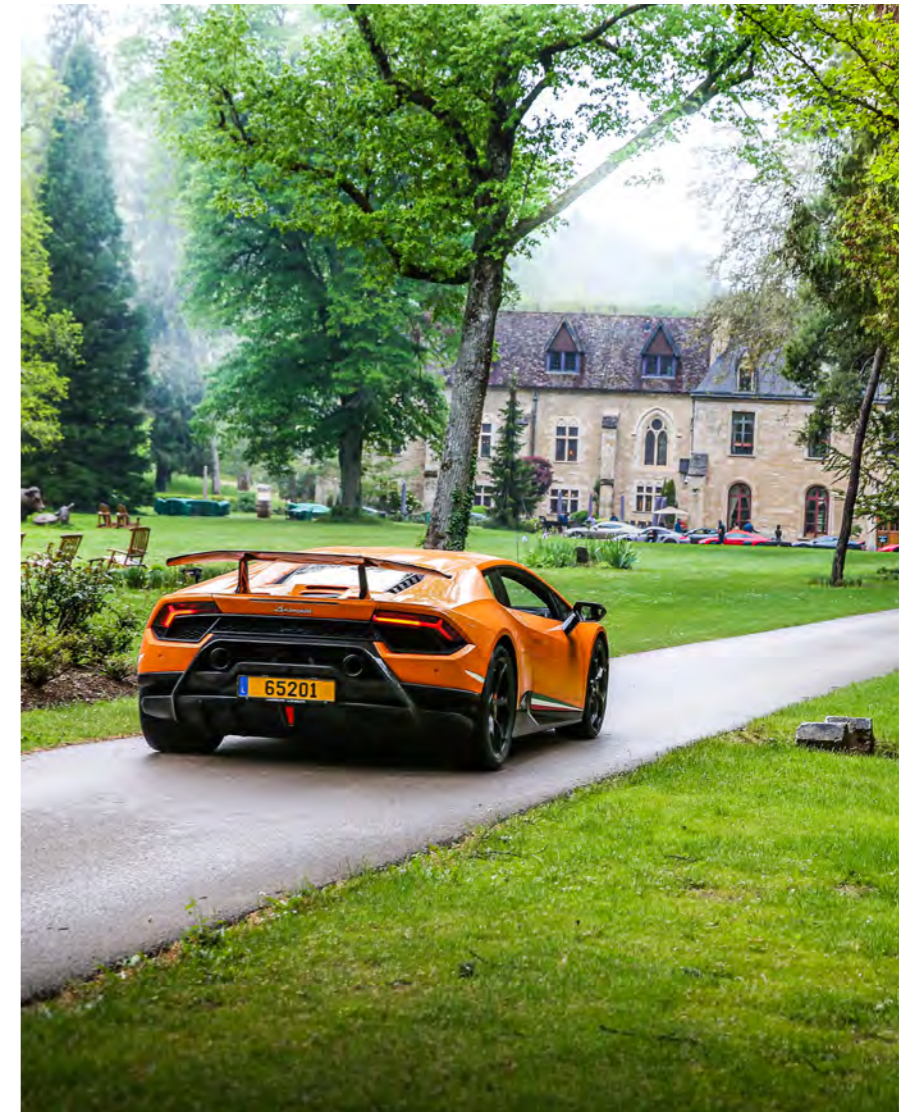

into the lush pastures, snow-capped mountains, and cascading waterfalls of the Alps. The mighty Alps then give way to the Italian lakes and vineyard-lined hillsides of Piedmont's world-renowned wine region. Finally, we cross into the Maritime Alps and onto the more arid landscapes of lavender fields that surround the charming villages of Provence.

Each day, we guarantee that your surroundings will delight and amaze you as much as the stunning cars you will drive. This is all complemented beautifully by the magnificent places in which you will dine and stay along the way – including boutique luxury hotels and Michelin-starred fine-dining restaurants.

Arrival and Departure Specifics

On Tuesday 30th May, we meet at a luxury 5-star hotel in Nice at 11:00 for transfers out to Grasse, in the countryside of Provence. Following arrival and check-in to the award-winning Terre Blanche Resort, you will spend the afternoon enjoying the hotel's extensive wellness and golfing facilities. In the evening, the group will reconvene for the official welcome aperitif and dinner at the Michelin-starred La Faventia.

After the conclusion of the drive on Sunday 4th June, guests can spend Monday morning enjoying a leisurely day at the hotel, or head into Zurich before onward travel plans.

Accommodation and Dining

Your spectacular driving experience is complemented by the pinnacle of luxury accommodation: historic hotels and castles, ultra-luxe resorts, and charming villas where time seems to pause, just for you. You will also spend your evenings dining in a series of celebrated restaurants, helmed by award-winning chefs. On arrival into the hotel each evening, car keys can be exchanged for a well-earned Aperol spritz or regional specialty, after which you will have time to enjoy and explore the hotel. Later in the evenings, over dinners of seasonal local produce and fine wine, you can trade stories with the group and enjoy the stunning panoramas of your surroundings.

THE FLEET

Our stunning fleet

Our fleet includes a selection of latest release supercars, designed to complement the location and tour type. The final selection may vary depending on participant numbers and vehicle availability.

ASTON MARTIN DB11

Labelled as the most important Aston in the marques history, the DB11 is a supremely sophisticated blend of hypermodern, road-crushing technologies and old-school Gran Tourer charm.

AUDI R8 V10 SPIDER

If you're hungry for a gorgeous, driver-friendly and lightning-fast supercar, the update to the incredible R8 delivers – and then some. Audi's supremely competent supercar impresses on all fronts.

BENTLEY CONTINENTAL GT

Solely responsible for the revival of the modern Bentley brand, the Continental GT is the perfect grand tourer, sporting a unique twin-turbo W12 and a truly luxurious interior.

FERRARI 488/F8 GTB/SPIDER

The successor to the adored 458 sees the eager-revving and naturally aspirated V8 retired in favour of a turbocharged powerplant. This supercar will propel you from 0 - 100 in just three seconds.

FERRARI 812 SUPERFAST

Enzo Ferrari said that only a true Ferrari has 12 cylinders and an engine up front. Welcome to the 812, which delivers in spades - 800HP, a 0-100 sprint in 2.9s and a top speed of 340kph. Superfast indeed.

LAMBORGHINI AVENTADOR S

With a top speed listed simply as 'more than 350km/hr', the Lamborghini Aventador S is brutally powerful, obscenely flamboyant, and always a fan favourite!

LAMBORGHINI HURACAN PERFORMANTE

The Huracan is a fantastic combination of fast, loud, and sharp. With an ingenious 4WD system, the Performante offers impressive technical specs and performance to boot.

MCLAREN 720S

Be warned: while there are many fast cars out there, few have the performance capabilities that require drivers to up their game so profoundly. Are you ready for this beast?

MERCEDES AMG GTR

With a dauntingly low driving position, way back over the rear axle, the devastatingly handsome GTR draws heavily on the lauded SLS. An agile yet comfortable grand tourer.

PORSCHE GT3/GT3 RS

Hailed by critics and fans alike as one of the finest 911s of the modern era, the 991 GT3 features the legendary 4.0L flat-six capable of singing far beyond 8,000 rpm for a truly exceptional driving experience.

FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest-release supercars. Your destination's driving conditions are considered alongside vehicle characteristics to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. For this tour, we expect 12-16 people and 6-8 supercars. Over the course of the tour, you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then cruise along loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you are behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 15-19](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
