Swiss Alps

June through *September*

EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. It started as an idea, then became a small project between like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. And it soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – Nurburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help

of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, whatever may be on it. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all the 'must do' experiences associated with motoring.

But an Ultimate Driving Tour is also

about much more than cars, more than driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. That might include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht, and so much more.

We hope that you too will become one of our family of guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and to having you along.

EXPLORE THE SWISS ALPS

in one unforgettable self-guided holiday

Arrive into Zurich at your leisure. Following transfers from the Airport to the Dolder Grand, spend the afternoon relaxing and enjoying your hotel's extensive amenities. In the afternoon you'll meet our representative for a detailed walk through and handover of your chosen vehicle for the self drive.

The first day of your luxurious self driving tour through the Swiss Alps warms up with a cruise east on a scenic highway that runs alongside Lake Lucerne. From here you'll conquer your first three passes – the stunning Susten Pass, followed by Grimsel Pass and lesser known but possibly more technical Nufenen Pass. In the afternoon you'll arrive into your stunning five-star hotel – The Chedi

Andermatt.

Day two of your drive will see you take the famed Furka Pass north, then loop alongside the stunning highway that follows alongside Brienz and Thun Lakes. In the afternoon, you'll enjoy a series of smaller runs that pass through picturesque national parks, before concluding in the famed ski town of Gstaad for an evening at the sumptuous Alpina Hotel.

On your third and final drive day you will head across the Gruyere national park and the Jura mountains, before concluding in Geneva. We recommend stopping on the way for a Gruyere tasting and a traditional Swiss fondue. In the late afternoon you will check into La Reserve Geneva, and conclude your

day with a champagne overlooking the lake.

The next morning you can enjoy a sleep-in and leisurely breakfast, if you have time before onward travel plans we recommend enjoying a guided tour of what Switzerland is possibly best known for – watches! Explore the Patek Philippe museum and stroll Geneva's luxury shopping street before onward travel plans. Alternatively, if you have the time, we recommend extending your stay by a night to make the most of your time in Geneva.

Create your perfect journey...

Should you have the time, you can choose to extend your journey with a number of optional add-ons designed

to complement and enhance your self drive package. These include:

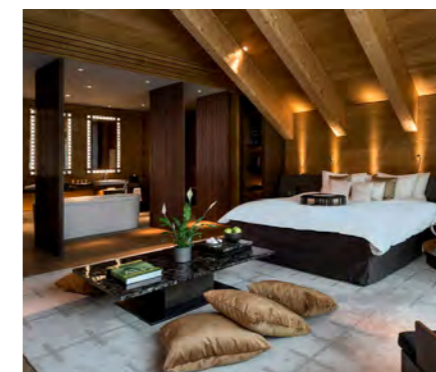

- Additional drive days and overnight stays to extend your exploration of the Swiss Alps. You can also choose to start and end in different locations, such as Geneva
- A private guided tour of Zurich exploring the history, culture, architecture, and cuisine of Switzerland
- A day shopping up a storm at the city's luxury street, home to a plethora of international designer stores
- A day taking in one of the most renowned exports of Switzerland – watches – taking in the factories and/or museums for which these specialist ateliers are famed.

Accommodation & Dining

We believe the properties in which you stay, and the restaurants in which you dine are as much a part of the experience as driving your incredible supercar on the roads for which it was built.

On our self drive experiences, your accommodation is included in the package, while the dining suggestions are options for you to take up as you wish.

Below are a couple of our favourite accommodation and dining suggestions for Switzerland; however, the hotels included in your package, and restaurants we recommend, may vary depending on dates and availability.

LAMBORGHINI HURACAN

The Huracan is a fantastic combination of fast, loud and sharp. With an ingenious four-wheel-drive system, the Lamborghini Huracan LP-610 offers some seriously accessible performance.
