Tuscany

*April* through *October*

# EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

# A TASTE OF TUSCANY

in one unforgettable self-guided holiday

Arrive into Florence at your leisure. Following check-in to the stunning first hotel of your trip – Villa San Michele – you can make the most of your afternoon exploring the hotel and its amenities, or venture into Florence to stroll the streets of old town. In the afternoon our representative will meet you for a detailed handover of your chosen supercar.

The next morning you will begin your first full day of driving. The drive begins with the beautiful tarmac of a strade statali road that will take you from Florence out into the Tuscan countryside. From here you will spend the afternoon tracing the hills around San Gimignano, enjoying the fast flowing country backroads and scenic backdrop for which the region is famed.

In the afternoon you will arrive into Castello di Casole, the stunning five-star property that will be your home for the next two evenings.

On the second day of the drive you will enjoy a morning loop on the more technical roads to the south of Sienna. In the afternoon you will be chauffeured to a small but celebrated vineyard near San Gimignano where you will meet a local expert and their furry companion, who will be your truffle hunting guides. For the next couple of hours you will explore the serene local forests searching out these natural treasures, after which you will enjoy a cooking class highlighting the flavours of the truffles that were found, along with a wine tasting of a series of special local productions.

Your third and final day of the drive will take you back to Florence via the stunning country backroads that criss-cross Chianti. Enjoy flowing tarmac and sweeping turns as you traverse the picturesque vine-covered hillsides of the region. Upon your return to Il Salviatino you can trade car keys for a glass of champagne and celebrate an unforgettable couple of days.

On the final morning of your holiday, you can enjoy a well earned sleep-in and leisurely start to the day before onward travel plans.

### Create your perfect journey...

Should you have the time, you can choose to extend your journey with a number of optional add-ons designed

to complement and enhance your self drive package. These include:

- Additional drive days and overnight stays to extend your exploration of the region
- A private guided tour of Florence exploring the history, culture, architecture, food and, of course, beer for which Tuscany is famed
- A day shopping up a storm at The Mall, Florence's renowned outlet that is home to a plethora of international designer stores
- A day in the Tuscan countryside enjoying truffle hunting followed by wine tasting and a lunch sampling the truffles you sourced.

## Accommodation & Dining

We believe the properties in which you stay, and the restaurants in which you dine are as much a part of the experience as driving your incredible supercar on the roads for which it was built.

On our self drive experiences, your accommodation is included in the package, while the dining suggestions are options for you to take up as you wish.

If you are hungry for a gorgeous, driver-friendly and quick as lightning vehicle, the newest release update to Audi's fan-favourite supercar certainly delivers. Consider your wish granted.

### MERCEDES AMG GT

With a dauntingly low driving position, way back on the rear axle, the devastatingly handsome Mercedes AMG GT draws heavily on the SLS. A distinctive yet comfortable GT that will surprise and delight.

### PORSCHE 911 GT3

For decades, the 911 has been the stuff of legend – a title it continues to claim today. Capable in all situations, this precision instrument remains a timeless inclusion on each of our experiences.

### FERRARI 488

The successor to the much-loved 458 sees the naturally aspirated V8 retired, in favor of a turbocharged unit. This Ferrari wild-child will propel you from 0 to 100 in a lightning-fast 3.0s. Enjoy!

### LAMBORGHINI HURACAN

The Huracan is a fantastic combination of fast, loud and sharp. With an ingenious four-wheel-drive system, the Lamborghini Huracan LP-610 offers some seriously accessible performance.

### MCLAREN 720S

There are many fast cars, but few have performance capabilities that require drivers to up their game so profoundly. Strap yourself in for 0-100 in 2.9s with this 710HP bad boy! Are you ready?
