EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

ARRIVAL + A TRACK DAY AT SPA FRANCORCHAMPS

Arrive into Brussels by Midday on Wednesday. From here the group will have the opportunity to meet and mingle over a welcome lunch, before transfers out to the first hotel of the tour – Manoir de Lébioles.

The ornate 19th century Manoir de Lébioles is a residence hidden amongst parklands just outside of the town of Spa. Known as one of the most beautiful buildings in the region, the manor has housed both diplomats and aristocrats over the last century. In recent years it has undergone extensive renovations to become the stunning 5-star hotel in which you will stay. After time to check-in and refresh, the group will meet for an aperitif and fine dining dinner.

On Thursday, you will enjoy a premium closed-track experience at one of the most famous circuits in Formula 1 – Circuit de Spa Francorchamps. Home to the Belgium Grand Prix, the Spa 24 Hours, and several other endurance races, Spa is held in high regard by many motorsport drivers. Seven-time F1 Champion Lewis Hamilton calls Spa his “favourite place on Earth”.

After a thorough drivers briefing, you will have the opportunity to walk this fabled circuit. From here you will get behind the wheel of your chosen vehicle. Professional racing instructors are on hand throughout the day to guide you through the intricacies of both the circuit and the vehicle you will be piloting, as well as providing tips on

how to get the most out of your car.

Among many incredible sections of tarmac on this 7km long circuit, we guarantee you will love the opportunity to blast through Eau Rouge – one of the most heralded circuit corners in all of motorsport. This corner is renowned for its fast uphill nature, which creates twisting G-forces more akin to a roller coaster than a racetrack.

After a bucket-list day at Spa, the group will return back to the stately manor, spending a blissful evening taking in the sunset over the forest, while sipping a well-earned cold drink. Later, over fresh local produce and fine wine, spend the evening swapping stories from your experiences that day.

DRIVE DAY FROM SPA TO THE NÜRBURGRING

After a night of restorative sleep and a hearty breakfast, we leave Manoir de Lebioles to embark on a scenic international drive to Nürburg via the truly fantastic backroads of Belgium and Germany.

We begin by crossing the lush forests, rolling hills and picture-postcard towns of the Ardennes in Belgium, which connect to Germany's attractive Eifel mountain region. This gorgeous area of Europe offers extreme undulations, medieval castles and fairytale towns. It's certainly one of Germany's best kept secrets!

We eventually cruise through the famed Mosel wine region, which is best known for its production of cool-

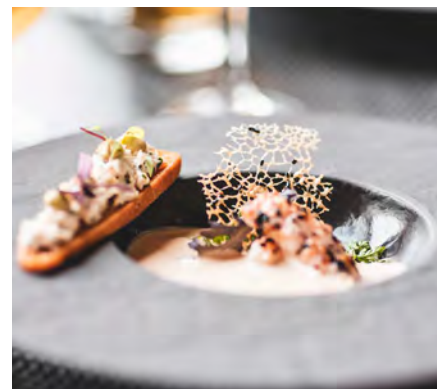

climate Riesling, crafted at the terraced vineyards along the winding Mosel, Saar and Ruwer rivers.

Throughout your day of open road driving, you will enjoy traversing a mix of backroads and tighter alpine roads, fully testing your chosen car's handling and capabilities in new environments that differ to the track. This is the time to enjoy the ride, the car, and the beautiful scenery.

In the late afternoon, you will arrive at your residence for the next two nights – the Lindner Motorsport in Nürburg. This classic hotel marries rustic charm and luxury comfort, making it the perfect place in which to kick off your shoes and enjoy a glass of something

cold and refreshing after a long day of driving.

In the evening, we dine as a group at the hotel's highly rated Restaurant Nuvolari, which offers a tempting selection of international dishes, before retiring ahead of another incredible day of track driving.

Accommodation and Dining

Guests on our Ultimate Track Tour are truly spoiled with a selection of exceptional hotels and dining options.

We begin by spending two nights at the magnificent Manoir de Lébioles. Set in the heart of the beautiful Ardennes forests, this elegant spa hotel features in-house gourmet dining using local produce that highlights the beautiful region.

As we move into Germany, we enjoy two nights at the relaxed luxury of the Lindner Motorsport in Nürburg. Dining is delightful, from the gastronomic Restaurant Lébioles to the historic Pistenklause, owned by the famous Schmitz family.

AN EPIC DAY AT THE NÜRBURGRING

Today is the day you will take on the infamous Nürburgring. Originally constructed in 1925, the 'Ring' is one of the most respected and revered circuits in modern motorsport. The 20.8km track features a myriad of tight switchbacks, exhilarating straights, and long sweeping bends – a true feast for any motoring enthusiast. The track also features a selection of unique racing corners – including the famous Karussell, a 270-degree tight banked curve that replicates G-forces more commonly felt by fighter pilots than racing drivers.

After staying nearby, you will arrive at the track mid-morning. As with Spa, there will be a driver briefing with professional racing instructors, who will

also be on hand throughout the day to help you to develop your skills, and make the most of the track and your vehicle. The vehicles and instructors cater to all driving abilities, from a keen novice to seasoned racers, and over the course of the day, you will cover approximately 216kms (10 laps). Nicknamed 'the Green Hell', this circuit is both challenging and incredibly long, so make sure to pace yourself!

After a day of adrenaline on the track, unwind and share stories with an aperitif on the terrace of the your hotel for the evening, the Lindner Motorsport, before sitting down for a final dinner at the renowned Restaurant Pistenklause. Owned by the famous Schmitz family, Pistenklause is home

to decades of unique F1 memorabilia, which you can admire while enjoying a sizzling hot-stone steak.

You can also pay homage to Sabine Schmitz, the youngest daughter of the Schmitz family, also nicknamed 'Queen of the Ring', who sadly passed away in 2021. Renowned within the motorsport community as the first woman to win a 24-hour race, she also accomplished an astonishing 50,000 laps around the Nürburgring.

On Sunday morning, you can enjoy a sleep-in and leisurely breakfast before departing on onward travel plans. A mid-morning group transfer will be provided back to Frankfurt for those flying home that day.

COMMON QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

What type of guests join your tours?

Our tours are a mix of guests from around the world. We have friends, family, business associates, and more attend, including plenty of couples. While we do recommend sharing the experience with a partner, friend or group, we can also cater for drivers coming on their own. Ultimately our groups are made up of like-minded people who share a passion for motoring as well as the finer things in life. Many go on to keep in contact after the tour and become life-long friends.

How does pricing work?

Your tour package is priced per person and based on two options – either two drivers sharing one car (if you come in a couple or pair and wish to share the laps), or you driving your own vehicle.

As outlined above and in the Finer Details section, your Tour Investment will be comprised of the Tour Package as well as your chosen Accommodation and Dining Package, and any Optional Add-Ons you wish to include.

Where do we stay and eat?

The places you stay each evening and the restaurants in which you dine should complement your overall experience. As such, our team seeks out the most luxurious hotels in the regions we visit. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences. Guests will always stay and dine together; the only difference with package options is the room category and occupancy type, as well as extras.
