EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

Home to a vibrant crowd, eclectic dining scene, and many talented artists and entertainers, you will find no shortage of things to see, do, taste and listen to in this incredible city. Later on Friday evening, the group will meet for a welcome aperitif and dinner at one of the city's celebrated restaurants. A perfect introduction to a weekend of fabled Texan hospitality!

On Saturday and Sunday you will enjoy a VIP experience at one of the most fan-friendly races in the F1 calendar – the US Grand Prix. The race is hosted at the stunning Circuit of the Americas (COTA) complex, which was specially commissioned in 2010 to host F1's triumphant return to the United States.

For your F1 experience you will be treated to the ultimate in hospitality, spending the weekend enjoying the glitz and glamour of the Paddock Club. In addition to gourmet food, a premium open bar and the most glorious views of the track, Paddock Club guests can enjoy access to the F1 Pit Lane, Q&As with F1 drivers and racing personalities, live entertainment, and much more, on a weekend that will sure to delight.

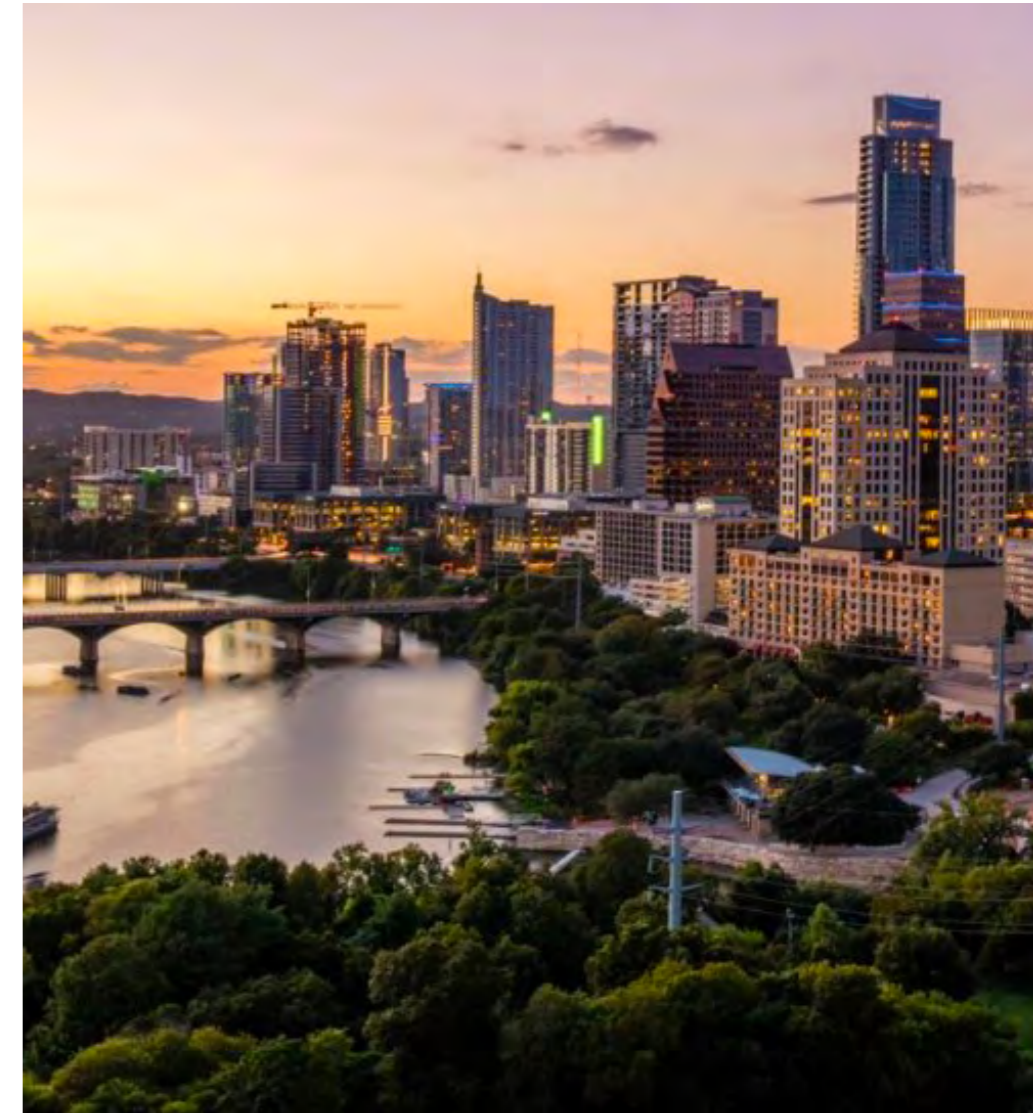

In the evenings after the racing concludes, guests can choose to stay at COTA to enjoy celebratory concerts from A-list music superstars. In the past this has included the likes of Taylor Swift, Justin Timberlake, Usher, Bruno Mars and more. Alternatively, you can return to downtown Austin to enjoy the nightlife for which the city is renowned.

After an adrenaline-filled weekend, Monday morning starts with a relaxing sleep-in and leisurely breakfast. From here, the day is yours to recover or to continue to explore the city and surrounds. We recommend checking out the nearby outlets, strolling the city or riverside, or perhaps a lazy day by the pool, cocktail in hand. That evening, guests can opt to meet for

dinner at Uchiko – one of the hottest restaurants on the Texan dining scene. Here you will enjoy a private dining experience with a current F1 Driver.

Over the course of this intimate meet and greet, guests can chat in a relaxed setting with the driver and hear insights and behind the scenes news and gossip about the world of F1 and the weekend that has just passed, as well as having professional photos taken, and memorabilia signed. An unforgettable bucket-list experience!

On Tuesday morning guests concluding their experience can depart for onward travel, while those joining us for the supercar tour will depart on flights to the West Coast.

Accommodation and Dining

Accommodation for this experience is the exceptional Fairmont Austin Downtown in the heart of the city. This luxury hotel boasts exquisite dining options and a pampering spa – perfect for recuperating after many exciting days. Dining for the first evening will be at the renowned restaurant Hestia, with an open hearth and impeccable service.

CRUISE THE CALIFORNIAN COAST TO NAPA

On Tuesday, those continuing on with the supercar tour will depart Texas for California. Following your arrival into Santa Barbara or Los Angeles, guests will be transferred to the brand-new Forbes five-star Belmond property, El Encanto. Here you can spend the afternoon enjoying the amenities and indulgent experiences on offer. Later in the evening, the group will meet for a relaxed private dinner on the terrace, enjoying gourmet cuisine with views of the Pacific.

From Wednesday morning, you will spend three unforgettable days experiencing some of the world's finest exotic and muscle cars from leading marques including Audi, Corvette, Ferrari, Lamborghini, McLaren,

Mercedes, Rolls Royce, and more. As with each Ultimate Driving Tour, guests will have the opportunity to pilot every supercar in the fleet – the perfect chance to compare the very finest modern supercars back to back.

The morning of day one begins with the scenic twists and bends of the Los Padres National Forest, before crossing back down to the coast. From the azure coastline, you will cruise back up through the peaceful countryside of Carmel Valley.

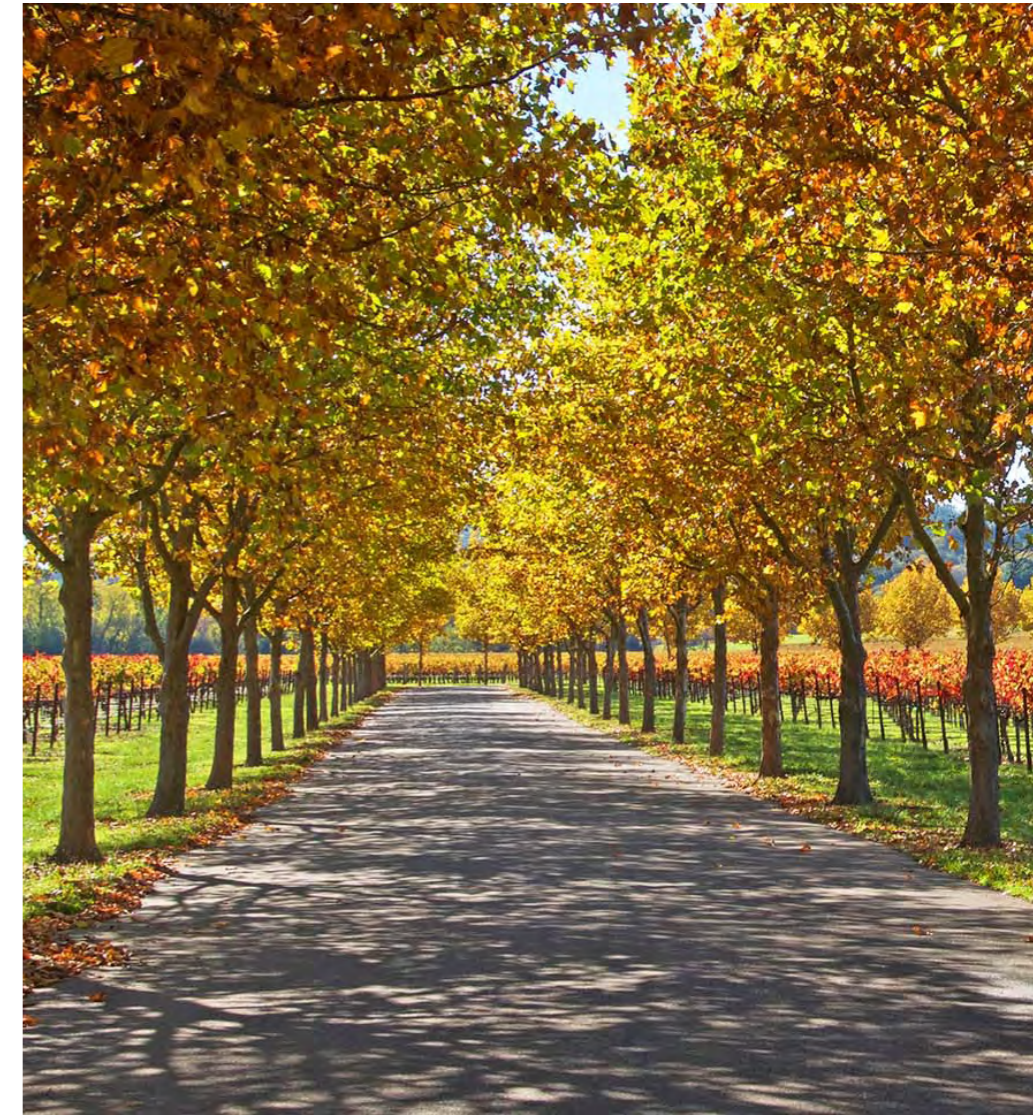

Here, the group will stop for the evening at the Bernardus Lodge and Spa; a hidden gem and internationally recognised culinary institution for close to two decades.

On day two, the convoy will continue along Highway 1 in the morning then loop up through a series of redwood preserves to cross the Golden Gate into Sonoma County. In the afternoon, the seashore reserves will give way to vine-covered hillsides, with the drive concluding in the northern town of Healdsburg. Here, you will arrive into another magnificent property: the brand new Montage resort.

The third and final day of the drive will be a relaxed morning loop through the vineyards of Napa, concluding at midday. Over the course of the drive, guests will have enjoyed a curated mix of tighter and more technical alpine roads, and relaxed country backroads, both of which will challenge and delight

any avid driver. Beyond the drive itself, the route is also incredibly scenic, with backdrops that have been immortalised in both history and pop culture featuring on this bucket-list American road trip.

On Friday afternoon, once car keys have been traded for a glass of vino, you will enjoy a private tour of a selection of renowned vineyards, enjoying special tastings and vintages. That evening the group will enjoy a final dining experience over which you can toast to an unforgettable week of motorsport, motoring and the finer things in life. Saturday will be a day to relax and enjoy at your leisure before onward travel plans.

Accommodation and Dining

Your accommodation and dining experiences on this tour are second-to-none. We first stay at the five-star Belmond El Encanto; an exclusive property perched high in the Santa Barbara hills. We also enjoy the hospitality at the charming Bernardus Lodge and Spa, then two nights at the luxury Montage Healdsburg. Dining includes an experience at Lucia Restaurant, serving upscale Californian cuisine, and French-influenced fine-dining at Hazel Hill. Our final meal as a group will be enjoyed at the Jordan Winery in Healdsburg, where dishes include foraged wild plants and herbs, and are complemented with Jordan's exquisite wine selection.

COMMON QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Our fleet is comprised of a curated selection of latest-release supercars, tailored to each tour and tour style. The number of cars in the convoy will depend on the number of guests, and is based on two guests occupying each vehicle. Our average tour size is 16 people and 8 supercars.

Over the course of the drive you have the opportunity to drive all the cars in the fleet, cycling in a set order through 2-3 cars per day. Professional instructors are always on hand to provide assistance and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so

drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated.

The drive is around 220 miles and 7-8 hours per day including regular stops for morning/afternoon tea, lunch and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and identifying the best roads in the world. We try our best to avoid heavily trafficked cities and seek out the freedom of the open road.

The routes chosen for our tours cover a selection of different road types relevant to the location and tour type, from tight switchbacks and hairpins, to loose, flowing backroads, and fast-paced freeways. The driving roads are also incredibly scenic, so whether you are behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

How does pricing work?

Your tour package is priced per person and based on two people occupying a vehicle. Typically, the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. Should your partner not wish to drive, then you will have double the time behind the wheel, and they can enjoy the stunning scenery and excitement of riding along.

What type of guests join you on tour?

Our tours are a mix of guests from around the world, from friends, family, and couples to business partners. While we do recommend sharing the experience with someone, we can also cater for drivers coming on their own, in which case you will be partnered with another solo driver. Ultimately, our groups are made up of like-minded people who share a passion for motoring and the finer things in life, so you will always feel at home.
